The Governor Issues His Annual Preclamation.

TERRITORY OF ARIZONA, EXECUTIVE OFFICE.

To the people of Arizona Greeting ;-As a people we should be devoutedly thankful for the blessings and benefactions that have been vouchedsaf to us during the current year. States, like persons, have their epochs of activity and depression; after hours of suffering there usually come periods of comparitive ease. We should not be unmindful of the gratitude we owe almighty God for His Divine favor, and should rejoice over the events of the pas: year which promise so much for the future of our Territory and Nation. Arizona has been favored with plentiful rains and bountiful harvests which ensure good returns to the husbandmen and a renewal of industrial activity. We have been in the full enjoyment of civil and religious liberty, an our advancement in the arts and ciences and the development of intell. ectual and moral power has made coninued progress.

In accordance with the time honored custom, and in compliance with the proclamation of the President of the United States, I. Benjamin J. Franklin Governor of the Territory of Arizona. by virtue of the power conferred upon me by law do hereby designate and set spart Thursday the 26th day of the present month of November to be kept and observed by the people of Arizona as a day of thanksgiving and praise. and I do hereby recommend that on that day the people abstain so faras possible from their ordinary pursuits and occupations, and assemble in their utnal places of worship to offer thanks to God in spirit and in truth.

It is a day especially appropriate for the works of charity and mercy, remembering thatall our doings without chari'y are nothing worth, we trust this very bond of peace and all virtues will be exemplified in the . be rvance of the day. That those who have been blessed with prosperity and plenty should remember with sympathy the unfortunate and needy, add by generous contributions from their bounty to the poor, enable all to share in the general Thanksgiving.

set my hand and caused the (SEAL) great Seal of the Territory to be affixed this 16 day of November A. D. 1896.

DONE AT PHENEX, the Capital, this 16th day of November, A. D. 1896. By the Governor.
